International Congress In Vitro Fertility Centers

2020

10-11 July 2020 - Paris, France

WELCOME

Dear Colleague,

In the last 10 years, experience in the USA, in Middle East and in Europe has shown that patients are increasingly expecting a quality and multidisciplinary approach in the treatment of fertility. We felt that the time was right to organise an international congress on the subject and are pleased to announce the [first International Congress of IVF Centers](#) which will take place in Paris, France from 10-11 July 2020. It will gather together the major centers involved in the detection, prevention and treatment of infertility and are supported by more than 40 national and international societies of fertility, and gynaecology.

With the support of the major IVF Centers we are establishing a Board of National and International Medical Societies and Centers associated with this international congress, and would be honoured to welcome you. We look forward for your participation.

Pr. Botros RIZK, Co-Chair of the congress
President Middle East Fertility Society

CALL FOR ABSTRACT

All registered participants are invited to submit an abstract for poster presentation. The best abstracts will be selected for oral presentation. Abstracts should be sent to congres@eska.fr.
